Welcome to Calvary Murrieta Christian Preschool! We are excited to be able to serve you and your family through our early childhood education program. We are committed to meeting the needs of your preschooler through a caring, nurturing environment. Our goal is to build relationships and partner with families to provide an excellent and exciting early childhood experience. With God at our center and parents as our partners, our goal is to nurture the whole child to grow in physical, emotional, social, creative, cognitive, and spiritual areas of development.

Our program is based on the philosophy that children learn by actively participating, exploring and discovering. Our classrooms invite children to choose from activities that capture and hold their interest. Our highly qualified early childhood educators provide a balance of playtime with structured learning experiences that include pre-reading and writing, pre-math, science, social studies, music, art, literature appreciation, gross and fine motor development, and spiritual development.

The following pages contain our policies and procedures as well as the forms you will need to enroll your child in our program. Please be sure to read them carefully and fill them out completely.

We look forward to partnering with you in your child's early education and beyond. If you have any questions please feel free to contact me.

Blessings,

Debbie Firmes
Director
