School Description

Calvary Murrieta Christian Schools is a private school offering a high quality education for Preschool through 12th grade that is grounded and shaped by Christian values and perspectives. Our junior high and high school are accredited by the Association of Christian Schools International (ACSI) and by the Western Association of Schools and Colleges (WASC).

Originally founded in 1992, the school is a ministry of Calvary Chapel Murrieta. Admission to the school is based on a personal interview, and depending on the grade level, can also include entrance test scores, recommendation letters, and previous school records. In addition, enrollment to the elementary and secondary schools requires that at least one parent (and the student if enrolling in jr. high or high school) have made a profession of faith and maintain regular church attendance.

The school is located in Murrieta, CA., a fast growing community with a population of approximately 100,000. The student body represents the diversity of the city, and the surrounding Temecula Valley. The class of 2009 will be the eleventh graduating class of Calvary Murrieta Christian Schools.
